Home ➜ Handling sensitive cases

Identifying high-profile, complex, sensitive or contentious cases

Key contacts

Updates

October 13, 2022 – COVID-19 – Temporary public policy to exempt in-Canada permanent residence applicants from an additional medical exam

October 7, 2022 – Overseas processing

September 16, 2022 – Biometric Association Logic and Identity Review Sub-Activity

See all

The “Handling high-profile, complex, sensitive or contentious cases” section is available internally only.

This list is not exhaustive and there may be other situations in which a case could potentially become high-profile, complex, sensitive or contentious.
